The ER Will Cost You for Non-Emergency Care

If you need medical care right away, it pays to think twice about where to get it. For a true life-threatening emergency, call 911 or go to the nearest emergency room. *But if your emergency turns out to be non-life-threatening:*

- ✦ The PPO Plan pays only \$75 of emergency room charges and you pay the balance, which could be as much as \$3,000 per visit.
- ✦ The HMO Plan pays nothing if your emergency isn't life threatening.

Not Sure Whether You Have a Real Emergency?

- ✦ **PPO Plan:** See the information on page 3.
- ✦ **HMO Plan:** Call your 24/7 nurse advice line at 1-800-288-2264.

Avoid Neighborhood Hospitals

Charges for non-life-threatening care apply to all types of emergency room visits, including the neighborhood hospitals that Dignity Hospital (also called St. Rose Hospital) has opened throughout the Las Vegas area. If you visit one of these hospitals for non-life-threatening care, you will be billed emergency room charges. Plus, be aware that these hospitals have limited emergency room capabilities. For example, they do not offer MRIs. So don't go there for true life-threatening emergencies.

Urgent Care Centers: Your Best Bet for Non-Emergency Care

If you have a non-life-threatening situation and can't get in to see your doctor, visit an urgent care center. These centers are located throughout the Las Vegas area and are often open for extended hours, including nights and weekends.

- 👉 **PPO Plan:** Visit any of the urgent care centers listed in this booklet. You'll pay just \$15 after your deductible.
- 👉 **HMO Plan:** Visit a Health Plan of Nevada-contracted urgent care facility listed at www.myhpnonline.com. You'll pay just \$40.

See a Doctor Online

LiveHealth Online® lets you skip long waits and visit a doctor from the comfort and convenience of your own home or while you're on the go. You can connect to a U.S.-based, board-certified doctor 24 hours a day, 7 days a week in minutes via two-way video using your smartphone, tablet or computer. **If you're enrolled in the PPO Plan, you'll have a \$10 copay for this service, with no deductible. The Fund pays the rest. (This service is not available for participants enrolled in the HMO Plan.)** Visit www.livehealthonline.com for details.
