Benefits Basics #16:

Open for Business May 13: Teamsters Local 14 Family Wellness Center in Northwest Las Vegas!

We're pleased to announce that the Teamsters Local 14 Family Wellness Center in Northwest Las Vegas will open May 13, 2019. Starting then, Teamsters Security Fund for Southern Nevada—Local 14 PPO members and their families can visit both the Henderson (already open!) and Northwest Las Vegas Wellness Centers for no-cost, high-quality medical care. Our HMO Plan participants and their families can also take advantage of the Wellness Centers during 2019.

Keep reading to find out why a Wellness Center is a great option for affordable, convenient health care, when to visit a Wellness Center and what other Teamsters Local 14 members are saying about them.

Two Locations, Top-Notch Service

Excellent medical care is wonderful—if you can get it. Recognizing the need for quick, convenient, and affordable medical care, Teamsters Local 14 has partnered with Activate Healthcare to open two Wellness Centers to serve our members. Both offer the same services, and both are staffed with a board-certified family medicine physician, a nurse practitioner, a physician assistant, and two medical assistants.

THE THREE “C’s” OF OUR WELLNESS CENTERS

Teamsters Local 14 Family Wellness Centers offer three important “C’s”: cost, confidentiality and convenience. When combined, these three elements help to ensure an excellent medical care experience!

COST

- **FREE** services and medications for you (no copays or deductibles)
- **FREE** services and medications for your covered family members

CONFIDENTIALITY

- Your medical information **will not** be shared with your local **or** your employer

CONVENIENCE

- Two convenient locations (Henderson and Northwest Las Vegas)
- Same-day visits available
- Minimal waiting times

SAME MEDICAL SERVICES AS YOUR PRIMARY CARE PHYSICIAN (PCP)

Why wait to see your PCP? Go to a Wellness Center and receive the same services from a board-certified physician, including:

- **Primary/acute health care:** Sick visits, condition management for chronic illnesses, lab/blood work and allergy testing.
- **Preventive care:** Physicals and annual wellness checkups, flu shots, health coaching, health profiles and personal health goal development.
- **Medications:** Approximately 50-75 generic prescription medications dispensed on-site.

If you want, you can even switch to a Wellness Center doctor as your PCP.

HERE'S WHAT MEMBERS HAVE TO SAY ABOUT THE WELLNESS CENTERS

”

“...I was immediately greeted by the friendly staff. Jillian Scott—the Wellness Center’s physician—was so amazing. Never rushed me. **It was one of the best experiences I’ve had at any doctor’s office.**”

—Michelle A., City of Henderson employee

”

“Sydney—the Physician Assistant—**was very thorough and professional.** She called me two weeks after my visit to see how I was doing! How nice is that? I will definitely switch to the PPO next open enrollment and plan on making the Wellness Center doctor my PCP.”

—Nancy R., City of Henderson employee

”

“I met with Dr. Scott; she won me over. I’ve been going to many doctors over a series of months. Dr. Scott was wonderful—**she wasn’t dismissive and listened to all of my concerns.** Plus, she completed the paperwork I needed in less than 24 hours! Most doctors would take months to get that back to me. **I definitely plan to switch my PCP to be the clinic doctor.**”

—John F., Southern Glaziers Wine and Spirits employee

”

“I have been there twice and the service was outstanding! **Quick, easy and convenient.**”

—Allen B., City of Henderson employee

”

“The clinic was **very easy to find** and **everyone was extremely nice and helpful.** I got several follow-up phone calls to check on my status. I was **really impressed with their follow-up** because normally you don’t hear from the doctor’s office again after you walk out the door.”

—Doreen A., City of Henderson employee
