

Be Sure to Enroll & Submit Your Online Spousal Affidavit by November 15!

Remember: Even if you completed the spousal affidavit last year, you must go online and complete it again by November 15 in order to enroll your spouse for 2022 health care coverage. Open enrollment is also your once-a-year opportunity to change your medical and dental elections. Changes you make take effect January 1, 2022.

Plan changes are allowed only during the open enrollment period. Coverage-level changes are allowed at other times of the year only if you experience a qualifying life event, such as getting married or divorced, having a baby, or your spouse losing coverage under his or her own plan, but you must make them within 60 days of experiencing the qualifying life event.

Enrollment Is Easy!

Just log in to teamsters14healthfund.com. In the left-hand menu, click **Open Enrollment/Spousal Affidavit** and then follow the step-by-step instructions.

What if You Don't Enroll?

You and your covered children will have the same coverage for 2022 as you do now. **If you're married and you don't complete the spousal affidavit by November 15, your spouse WILL LOSE medical coverage on January 1, 2022.**
